

PREMIUM PROTECTION MADE RIGHT HERE.

INNOTEX®, globally recognized leader in the design and manufacturing of innovative, premium PPE, is now issuing an ASTM level 3 compliant, FDA-listed, reusable isolation gown. Designed, sourced and made entirely here in the USA, the gown exceeds ANSI / AAMI PB70 re-use standards, *after successfully completing a series of 130-cycle high-temperature laundering tests*. Made with Stedair® TX L3 - a proven trilaminate medical barrier fabric which repels fluids while ensuring the wearer remains comfortable because of its breathability, the gown is available in a full range of sizes.
