JOB OFFER

INDUSTRIAL SEWING MACHINE OPERATOR – OHATCHEE, ALABAMA

INNOTEX is specialized in the development, manufacturing, and distribution of firefighter protective gear. An innovative, dynamic, constantly growing company, INNOTEX is a leader in the manufacturing of firefighting gear. INNOTEX is proud to be a trusted partner of thousands of fire departments around the world.

INNOTEX CORP. is currently looking for Industrial sewing machine operator to participate in regular production activities in the Ohatchee, Alabama plant.

JOB PURPOSE:

Operate or tend sewing machines to perform garment sewing operations, such as joining, reinforcing, or decorating garments or garment parts. Include sewing machine operators and tenders who perform specialized or automatic sewing machine functions, such as tacking. You will work in a dynamic and innovative environment with talented colleagues who are dedicated and passionate about their work.

QUALIFICATIONS:

- Manufacturing sewing experience preferred.
- Attention to detail.
- Hand-eye Coordination
- Technical/Mechanical Skills
- Experience and/or training in Assembly, Manufacturing, and/or Production environment preferred.
- Must be willing to learn and know every operation on the production line.
- Ability to be flexible and adapt at shifting priorities and directions.

WHAT'S IN IT FOR YOU:

- 4-day work week / 3-day weekends
- Up to \$16 per hour based on experience
- Full time job & Guaranteed employment all year round
- Competitive pay + Team bonus
- Annual salary increase
- Health and Welfare Benefits for you and your family (50-71% of monthly amount paid by employer!)
- 401(K)
- Paid holidays and paid vacation.
- A pleasant and friendly working atmosphere, encouraging collaboration.

If the challenge matches your talent, please forward your resume to the attention of Melissa McDickinson (melissa.mcdickinson@innotexprotection.com).
