

JOB OFFER

INDUSTRIAL SEWING MACHINE OPERATOR

INNOTEX OPENS A NEW WORKSHOP IN THE CENTRAL DISTRICT – CHABANEL SECTOR

INNOTEX is a world leader in the personal protective equipment for firefighters and first-responders. We are experiencing a strong growth, and to support it, we are expanding by opening a new modern and cutting-edge workshop.

The company already has three other workshops in Québec as well as a manufacturing plant in the United States.

INNOTEX is looking for detail-oriented **Sewing machine operators** to participate in regular production activities.

CHALLENGES:

Operate various industrial sewing machines to assemble the parts need to produce firefighter protective gear while respecting established quality standards. You will work in a dynamic, innovative environment with talented and devoted colleagues, passionate about their work.

Qualifications and competencies:

- 7 to 11 months of experience in industrial sewing
- Good manual dexterity where precision and speed are essential
- Strong team spirit, self-sufficiency and autonomy
- Rigor and attention to detail
- Ability to learn fast
- Motivated and diligent
- Ability to work standing up

Benefits:

- Permanent, full-time work that is guaranteed all-year long.
- Stable employment in a non-seasonal market
- Modern working environment
- Competitive salary plus efficiency bonus.
- Summer vacation and time off for the holidays
- A young, dynamic ambiance, ideal for collaboration.

If you feel your talent is up to this challenge, please send your resume to the attention of Karianne Bernier (karianne.bernier@innotexprotection.com).
